

# Monarch Butterflies and Other Pollinators Habitat Community Planning Meeting

Friday, July 29, 2016 1:30 - 4:30 pm

1001 Holleman Drive East, College Station

Conference Room, USDA Bldg

(Southwest of Post Oak Mall)

Come share your ideas and plans to promote Monarch Butterflies and Other Pollinator Habitats. Discuss what's been done, plans of each group, how to network together. Learn more about each group and explore ways to involve residents, to increase awareness about butterfly preservation, native plants for butterflies and other pollinators, and identify community partners for networking.

Butterfly Importance - Craig Wilson

Mayors Monarch Pledge - David Schmitz for CS, Bob Holmes for Bry
