

2026 Pre-Event and Post-Event Road Closures

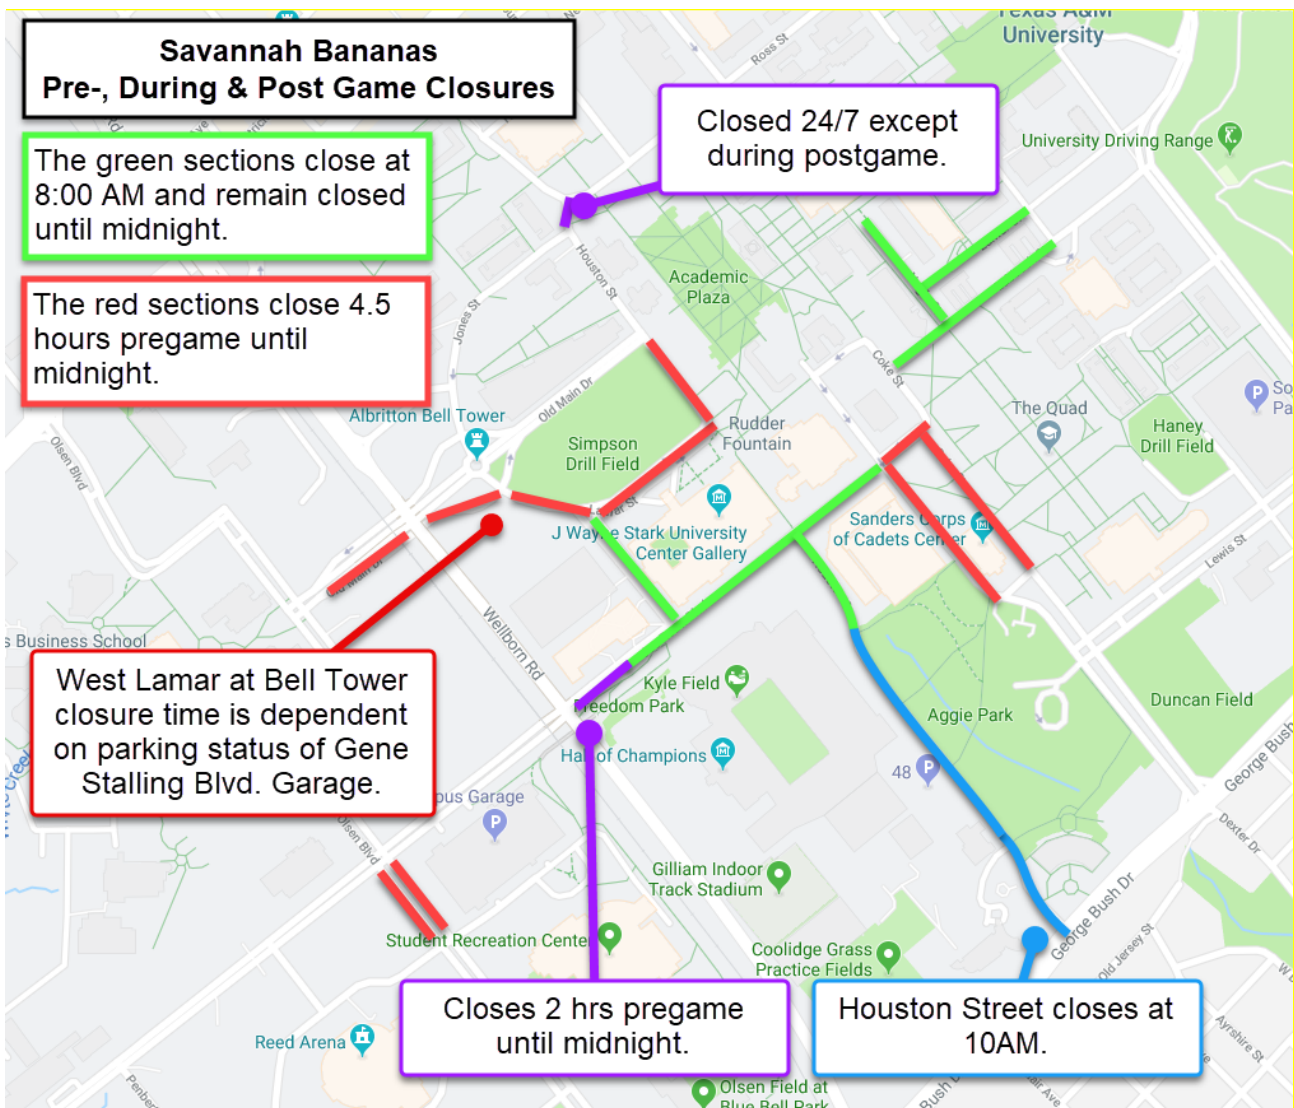

Savannah Bananas, 6:30 PM

Please note these are typical football road closures but the timings are different to accommodate the Savannah Bananas' schedule. The post event timings are especially different as they will go into effect once the show starts (6:30 PM).

Pre-Event Road Closures

- Pre-event road closures are in place to ensure pedestrian safety and improve traffic flow (Exhibit 1).

Post-Event Road Closures

- Many campus roads are closed, and off-campus streets have modified operating conditions.
- To accommodate post-event exit traffic, many of the on-campus roads are closed to incoming traffic beginning at 6:30 PM until midnight (Exhibits 2, 3, and 4).
- Off-campus roads begin post-event setup at 6:30 PM and will remain in this configuration until midnight (Exhibits 3 and 5).
