McCulloch Neighborhood Sign Project

Neighborhood Grant Program Project

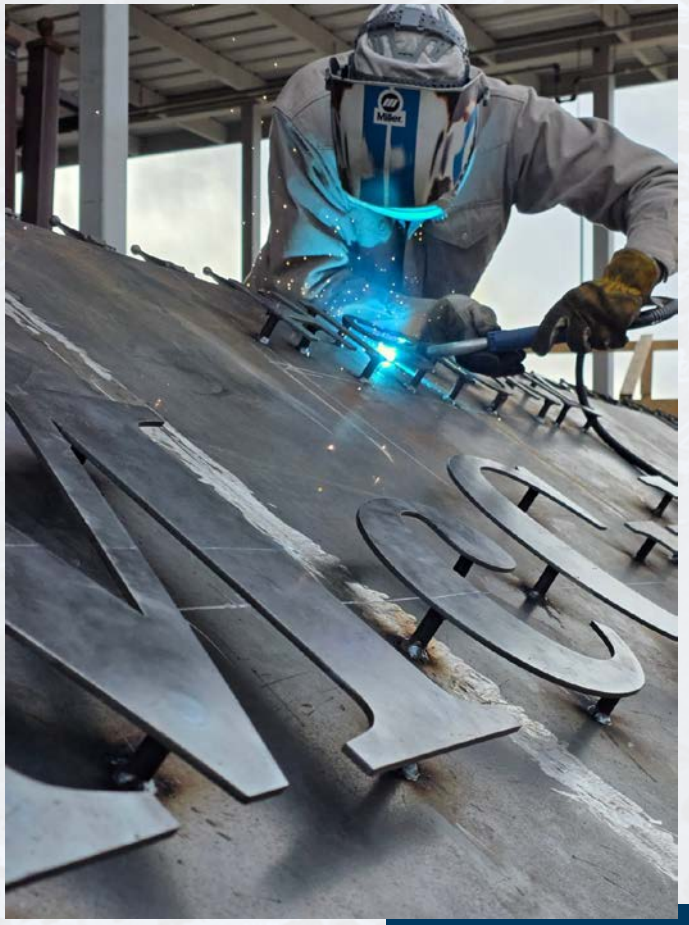

Brief Timeline

- Land purchased on the corner of Holleman and Welsh in 2019 for neighborhood gateway signage.
- Applied for and awarded a neighborhood grant in 2024-25
- Worked with local architect to design the sign.
- A&M Consolidated High School CTE Welding Class constructed the sign.
- Local surveyors assisted in getting the property surveyed for permitting.
- Planning staff assisted with the permitting process and applications.

Rendering of Neighborhood Sign

Sign Production

Expected completion date

- Finishing touches on the sign will be done over the next month.
- Installation is planned for February 2027 during Black History Month.
